What is the Sales Tax Nerd Community?

The Sales Tax Nerd Community (STNC) is the newest offering from Sales Tax Institute. It is an annual membership for sales tax professionals who want to grow their sales tax expertise and connect with others to trade experiences, best practices, and ideas. Membership benefits include access to a robust online membership platform, online courses, office hour calls with Diane Yetter, course discounts, and a resource library of sales tax tools. 2025 Sales Tax Institute sponsors have the unique opportunity to get in front of this highly targeted group to demonstrate company expertise and solutions.

The STNC “Partner Corner” is a topic section within the online membership platform where we will post sponsor branded educational resources, tools, or videos for members.

What is the Sales Tax Nerd Community Sponsor Forum?

Sponsors will have the opportunity to meet with members of our Sales Tax Nerd Community for sales tax-focused interactive online presentations. For these sessions, sponsors can select their own topics, share product demos, go deeper into offerings, and answer attendee questions. Only one sponsor presents at each forum. Sponsors receive the attendee list for their forum.

What is a “digital goodie bag”? And what is the value of providing an asset for it?

We use the phrase “digital goodie bag” to describe a collection of PDFs from different organizations containing educational and promotional information that we provide to Sales Tax Institute students in lieu of physical handouts. Examples could be a PDF about specific products or services in your company, an informational flyer that contains a discount code or special offer for Sales Tax Institute students, or an educational asset like a whitepaper. Adding tracking codes to the links provided in your digital goodie bag asset will allow you to track engagement and leads from the asset.

How do the banner ads and logo/link listings work?

We provide the technical specifications for the banner ads and you provide the artwork and links with tracking code. You are welcome to change out the ads as frequently as monthly throughout the year of sponsorship.

Each Monthly Newsletter, Tips Digest, Training Update, course registration confirmation email and thank you email will contain your logo with a link. You can change out the link whenever you’d like based on the content of the course or various company webpages you’d like to highlight.

Monthly, we profile one sponsor in our Monthly Newsletter, which is sent in the last week of each month and enjoys an average open rate of 34% and a click rate of 5%. Yes. When applicable, the Sales Tax Institute will send a report on content performance, such as views, leads, etc.

What is the newsletter resource benefit?

Sponsors may provide a branded resource (approved by Sales Tax Institute) to be placed (via link) in one of the newsletters. This can be a gated download to allow sponsors to collect leads or any other resource.
